SHARE, LEARN, AND ALWAYS IMPROVE.

At National, we are proud to offer more than furniture. Our teams, across the nation, are passionate about delivering solutions from the start of a project to the installation and after. We partner with our customers to ensure they are completely satisfied and assist them along the process.

With our range of furniture solutions for spaces where people work, relax, heal, and learn, National is dedicated to creating spaces where people want to be. We create areas that make a great first impression and welcome guests. We deliver results for private offices and meeting spaces where functionality and technology are must-haves. When open plan solutions are needed, our products complete the layout with superb quality and smart solutions.

Not only do we enjoy creating spaces where people are comfortable and can achieve their best work, we pride ourselves on offering furniture that is sustainable. We see our legacy as more than just quality furniture; it's a reverence for nature. Our history and culture are deeply rooted in responsibility with a strong commitment to positively impact people and the environment. We offer solutions that improve indoor air quality, increase the use of sustainable materials, and reduce the impact to climate change.

OUR PORTFOLIO OFFERS A COMPREHENSIVE RANGE OF PRICE POINTS AND STYLES TO CREATE A COHESIVE INTERIOR SCHEME ACROSS AN ORGANIZATION.

We're driven to create comfortable environments that evoke confidence and personal expression, allowing you to work smarter and be proud of your surroundings. We offer a wide range of solutions for private offices, open plan spaces, welcoming areas, and meeting rooms. Whether you are looking for traditional style or are embracing a homey atmosphere, our furniture solutions are tailored to fit your style. Not only do we deliver furniture, our team prides itself on offering personal services to ensure that your facility is outfitted to meet your needs. From marketing tools, products, and design to order placement, delivery, and installation, we are dedicated to making sure you receive high-quality furniture and top-notch service.

WEDGES+CUSHIONS

Whether you need a relaxing spot for one or an inviting space to gather and interact, wedges and cushions can be used in universal environments. Prop yourself up on a wedge and stretch out on a cushion. By simply adding these elements, you can transform a space into a cozy spot to settle down and catch up.

Choose from our extensive textile offering to jazz up your space or create a calm oasis. Our Stitch-it™ program creates a quilted aesthetic by adding intricate or simple stitched designs to wedges and cushions. Optional button tufting adds extra interest and sophistication to the cushion collection, while contrasting fabric options add flair to wedges. These universal products add comfort and style to any environment.

COLLABORATIVE TABLES OFFER SMART SOLUTIONS WITH DESIGN VERSATILITY.

Whether you plan to join in on a quick conversation or sit down to catch up, spaces for collaborating need to be flexible and comfortable. With National's evolving portfolio of solutions, we offer the right furniture for the communication spectrum, from brief sync ups to in-depth conversations that require a bit of privacy.

Socializing is necessary in today's culture. In today's fast-paced environments, sometimes personal interactions are skipped, and opportunities are missed. Furniture that invites conversations and creates spaces for gathering is essential.

TODAY'S CAFÉ AND DINING SPACES ARE MULTI-USE AREAS.

Throughout the day, café and dining spaces are in constant transition. Guests come and go and tackle various activities while enjoying a cup of coffee or eating a meal. Some users enjoy working with the hustle and bustle surrounding them, so they set up workstations to knock out projects, or invite others to collaborate on group tasks.

National's café and dining options are as varied as the users that interact with them. Whether guests are recharging and relaxing or spreading out, our portfolio of solutions offers the flexibility to find the right products to fit a variety of needs.

SURFACE MATERIALS

A HIGH PERFORMANCE FINISH FOR YOU AND THE ENVIRONMENT.

IntegraClear® is National's water-based finish cured via ultraviolet (UV) light that offers exceptional clarity and durability in our wood products. This environmentally-friendly finish and its application process enables our products to meet or exceed strict indoor air quality requirements which create healthier workplaces and can contribute towards earning a LEED® Green Building rating.

IntegraClear is the ultimate balance of clarity, durability, and sustainability. This extremely low emitting finish provides excellent wood protection to keep your casegoods and tables looking their best. IntegraClear offers excellent cleanability while allowing the natural beauty of the wood details to be seen through the finish.

LAMINATE

DURABLE
AND BEAUTIFUL.

From solids to patterns to woodgrains, National's laminate selections offer rich colors and extreme durability. Create practical and spectacular results by utilizing laminate on horizontal and vertical surfaces. Mix and match to create unique visual elements that captivate while offering an enduring aesthetic.

Laminate not only offers design freedom and durability, it grants budget flexibility. Choose from a wide range of solids, patterns, and woodgrains, even some with texture, to achieve the exact look you desire and the budget you need. Laminate allows you to transform spaces with modern designs or add the feel of rich wood.

SEATING UPHOLSTERY

We provide a broad range of upholsteries to choose from so that you can complete your space with the look and functionality you desire. We offer high-end designer-inspired upholsteries that will set your seating apart. If durability and cleanability are your priorities, our high-performance vinyl or pvc-free polyurethane offering is extensive.

We've developed alliance programs with designer and specialty upholstery partners so that you can easily marry their upholsteries with our quality office seating. National has partnered with Arc-Com, DesignTex, Maharam, Momentum, Stinson, and Ultrafabrics to provide graded-in upholstery for ease of ordering. With this program, you issue just one purchase order, providing a simplified ordering process and a complete seating solution from a single source.

GENERAL INFORMATION

ORDERING PROCEDURES

National products are available throughout a network of nationwide Authorized National Dealers. They can help you with space planning, design, product selection, order placement, delivery, and installation. To locate a National Authorized Dealer near you, visit NationalOfficeFurniture.com or contact National Customer Service at 800.482.1717.

QUICK DELIVERY

This robust program offers our most popular series and your favorite models. Our Quick Delivery program features standard products, so you get the same exceptional value and quality that you expect from National. Our durability, style, and sustainability is consistent throughout our portfolio, but when you order through our Quick Delivery program, you get it even faster. We understand that you need to know when products are going to arrive versus when they are shipping. That's why our Quick Delivery program focuses on delivery. Get your seating, desks, tables, and storage solutions delivered in 10 business days or less. Visit NationalOfficeFurniture.com to learn more about our Quick Delivery products.

PIZZAZ™ PRODUCT MODIFICATIONS PROGRAM

By choosing National, you will always receive a great looking piece of furniture; however, there are times when you just want that extra touch to make it your own. National conveniently offers custom embroidery, laser engraving, product modifications, and finish matching. It's just one more way we try to make your life easier and deliver that extraordinary experience you deserve. Learn more about our capabilities below:

- With tighter footprints and more repurposing of spaces, product modifications may be needed to accommodate designs
- Standard sizes, shapes, or configurations of National products can be modified for a custom-like fit or look
- Seating can be enhanced by utilizing National's embroidery and laser engraving capabilities:
 - Add a logo to nearly any of National's seating lines to personalize the space you're designing
 - Logos can be engraved into the wood areas or embroidered into upholstered areas
- Custom finish color matching is available on quantities of 25 units (seating, casegoods, and tables) or more of the same wood species
 - National must receive a finish sample in order to evaluate and develop a finish match for approval

To learn more about the Pizzaz Product Modifications program, visit our website at NationalOfficeFurniture.com/ProdMods.

FIRE RETARDANT PRODUCTS

All National seating meets California Technical Bulletin #117-2013. For California Technical Bulletin #133 requirements, please contact National Customer Service for lead times and applicable fabrics. California Technical Bulletin #133 - Flammability test procedure for seating furniture for use in public occupancies - provides guidelines for a full-scale, composite burn test. To obtain TB133 certification, a specific model/upholstery combination must be subjected to and pass TB133 testing. National provides TB133 testing services for COM (Customer's Own Material), COL (Customer's Own Leather), and Alliance partner upholstery orders. We require that COM, COL, and Alliance partner upholstery first be evaluated for application approval, then for TB133 approval.

BIFMA AND ANSI TESTING

National products are designed and manufactured to meet or exceed BIFMA and American National Standards Institute (ANSI) standards. National is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA).This testing does not serve as a warranty or guarantee. Generally, products within this catalog meet or exceed the applicable BIFMA and ANSI standards.

TURN YOUR VISION INTO REALITY WITH SPECSTUDIO.

PICK A PRODUCT, SELECT THE OPTIONS, THEN VISUALIZE IT.

This simple, yet robust online tool allows you to experience National's furniture in a whole new way. SpecStudio transforms the way you visualize products by making your ideas come to life. In real time, see how your options, fabrics, and finishes complete your seating selection. Then, after you've perfected your masterpiece, download a customized PDF, save an image, export SIF and product symbols, or share your creation online. Experience National products like never before with SpecStudio.

SELECT A CHAIR

You'll begin by choosing from National's vast offering of seating. SpecStudio is loaded with National's guest, executive, task, and lounge seating and includes bariatric models, stools, and more. Select the specific series and model then begin customizing your creation.

CHOOSE YOUR OPTIONS

After you've selected your seating model, SpecStudio allows you to easily choose options to complete your chair. Depending on your selection, you'll then choose seating mechanisms and features to create the right fit for your needs. You can add power/data grommets and tablet arms, when available, to further customize your selection.

APPLY MATERIALS

Bring your masterpiece to life with National's wide breadth of upholstery and finish options. Choose surface materials based on Grade, Pattern, or Color, and then see them applied to your seating selection. Use this tool to visualize your contrasting fabric selections or to truly see how various colors of piping would add a special touch to your seating.
